### Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	<i>Cultural heritage, art and technology</i>
Description or summary of the proposed project	<i>DIVERSITY WALKS is a media project that will build a series of connected audio and augmented reality walks in culturally and ethnically diverse neighborhoods. These are all places where a fluid, recombined sense of heritage is being formed. In addition to the audio + AR walks the project will create an artist exchange program that trains and situates the producers of the walks in the host neighborhoods. The project will also include various school and public programs that give audiences access points to the walks' content: cooking classes, lectures, walks + talks, etc.</i>
Partners currently involved in the project	<i>Cápsula Cultura (SPAIN) and CIMHORYZONTY (POLAND)</i>

### Partners searched – which type of partner are you looking for?

From country or region	<i>All european countries</i>
Preferred field of expertise	<i>We are looking for partners to help us in three areas: running a call to digital artists and storytellers for the exchange/producer positions, designing small installations and signage for the walks, and creating and executing an awareness campaign. Anyway, we could accept other partners wanting to create routes in their cities.</i>
Please get in contact no later than	<i>15/January/2024</i>
