Proposed Creative Europe project - to which project are you looking for partners?

Froposed Creative Europe	e project to which project are you looking for partners:
Sector or field	Music, performing arts, cultural heritage, visual arts, architecture, arts, and cultures.
Description or summary of the proposed project	The aim of the project seeks to establish a pan-european platform methodology inside the consortium within bottom-up approaches for lyric theatre, in the form of a sort of transnational festival of co-created works; composite products and / or services looking for repositioning European vernacular operatic genres as a unique and extremely valuable asset to each European country individual heritage. Also, as a shared community for practitioners, creators, producers, and researchers across Europe enabling to connect leading, emerging, and disadvantaged contemporary audiences across innovation methods and patterns. Such coordinated activities shall include training and dissemination artefacts or nurturing ventures, as well as other initiatives for preserving material and immaterial European cultural heritage, particularly regarding resilience measures, and cross-cutting edge competences applied to
	lyrics, within a sustainability and affordable perspective.
Partners currently involved in the project	TBD
