Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	*cinema, film production, Documentary Film making*
Description or summary of the proposed project	We are looking for the main partner for joint participation in the European mini-slate development grant competition (CREA-MEDIA-2022-DEVMINISLATE). We would like to offer our

| | project of a documentary full-length film "The Valley of the Carpathian Bison" as one of the projects of the competition application.

Briefly about the project itself.

The question is not indifferent to thousands, are there still wild animals in the Ukrainian Carpathians? To learn how and what the untouched nature of the Carpathians lives, we started the development of the film "Valley of the Carpathian Bison". The Bison Valley is a unique forest ecosystem in the Carpathian region, in the Skolivski Beskydy National Park. This life of which, in our opinion, will be a discovery for Ukrainian and European viewers.
In 2021, the project received support during a fundraising campaign at Spilnokost and became the winner of the Lviv Film Pitching. In 2021, the project also became the winner of the 17th State Cinema pitch, but unfortunately, due to the war, the film never received funding and was not put into production. |
