| was founded in March 2021 with the idea of including alture and education as areas for the professional tion of talented and professionally oriented high school has and students.  Beed to establish TELOK arose from the fact that in our there is not a single form of organized action established form. Based on this, through personal experiences and change of opinions, the initiative to establish TELOK was ead by Violeta Šarenac, M.Sc., a full professor at the resity of Kragujevac Faculty of Philology and Arts at the thement of Piano, and a student of basic academic studies Department of Music Arts at the Department of Music in edia Stefan Milivojević.  Activity of TELOK and the achievement of the goal began the opening of the association, because it was then, a go, that the first cycle of free consultations for ment in basic and master's academic studies was done time TELOK started organizing concerts and string young artists as independent musical performers reserve the respect of the audience.  It is operations, TELOK also has youth, which is managed atth president Lazar Živadinović, with the help of his lates and members.  Current period, TELOK creates and realizes a large er of projects in the fields of culture, art, music and pation. In its first year of operation, TELOK entered into cant cooperation with government and local bodies ting in the same areas as TELOK.  E 2021, the portal "Telo Kulture" opens, which in April will grow into a professional magazine in the field of ea, art and education.  Events organized by TELOK were very well attended, which howed us that in addition to musically educated people, |
